

UNINSURED DISCOUNTS For Hospital Accounts

LOW INCOME UNINSURED DISCOUNT

An uninsured discount is available to patients or guarantors with a gross family income of less than 300% of the Federal Poverty Level for their family size. This discount is greater than the Self Pay and Prompt Pay Discounts combined and is based on a percentage of cost of services as determined on our annual government reports. If you qualify for this discount, you are not eligible for the Self Pay or Prompt Pay Discounts below. To apply for this discount, please complete the Financial Assistance form, including other documentation, and mail to the address below.

SELF PAY DISCOUNT

A 20% Self Pay Discount is available for uninsured accounts. There are 2 ways to take this discount.

Before paying the balance in full, check below to determine if you qualify for the Prompt Payment Discount. If you do not qualify for the Prompt Pay Discount, subtract 20% from the balance due and send payment with a note stating discount taken.

To set up a payment plan, please call the Business Office Collector at (618) 546-2568. Discount will be taken when a payment plan is set up. Payment plan arrangements may be screened for ability to pay and, in some situations, we may ask you to complete the Financial Assistance Form.

PROMPT PAYMENT DISCOUNT

Uninsured accounts that receive the Self Pay Discount and can pay the balance in full within 15 days of the "Date of Bill" on the "First" bill, will receive an additional 16% Prompt Payment Discount. Subtract a total 36% from your balance due and send payment with a note stating discount taken.
