

# A TRADITION OF CARING

## PEACE OF MIND

*No matter what time it is, our staff is only a phone call away.*

*A registered nurse is on call, 24 hours a day, 7 days a week.*

*...for more than 30 years.*

## THE FAMILY CHOICE... FOR OVER 30 YEARS

Since 1979, families in Crawford and the surrounding counties have trusted Crawford

Memorial Home Health Agency. We are a team of health care professionals who provide education and high-quality health care to patients in their own homes. Our goal is to work with you or

your loved one's physician to help the patient regain the ability to live as independently and comfortably as possible, based on his or her abilities.

---

### Billing and Payment

Visits made by the Home Health Staff may be covered by Medicare, Medicaid, Insurance, other third party payers, and/or private pay. For your convenience, all billing is done by Crawford Memorial Hospital.

# COMFORT, SECURITY, AND CONVENIENCE.

---

*When you or your loved one needs care, there's no place like home. With Crawford Memorial Home Health Agency, you can count on personal, individualized care from every member of our staff.*

### PROFESSIONAL STAFF

#### *Skilled Nursing Services*

Our staff of experienced registered nurses offer a full spectrum of patient care and education. As a key part of your healthcare team, our nurses provide the care you or your loved one needs on your road to wellness. Additionally, our nurses perform a thorough initial evaluation for every patient and coordinate closely with the patient's physician so that care plans specifically reflect each patient's unique needs. Some of our services include:

- Colostomy/Urostomy care
- Diabetic care and education
- Medication injections, instructions and/or education
- Intravenous therapies, such as chemotherapy, pain medication and antibiotics
- Wound care and dressing changes
- Daily vital signs monitoring, via advanced telemonitoring services

#### *Home Therapy Services*

For some, the road to recovery requires therapy. Our expert staff is experienced at building a personalized therapy plan for each patient.

- **Physical Therapy** - Helps to regain and build strength, balance, and safety.
- **Speech Therapy** - Helps to restore communication and swallowing skills.
- **Occupational Therapy** - Helps to regain independence in the home.

#### *Certified Home Health Aides*

Our staff members provide a wide range of personal care services such as bathing, grooming, skin care, and shampooing.

#### *Social Services*

Our Social Worker assists by referring patients and families to appropriate community resources and counseling, and assists with various other needs.

### WHO IS ELIGIBLE?

*A patient may qualify for home health services if they meet the following criteria:*

- *The patient is home bound*
- *The service is prescribed by the patient's physician*
- *Has a skilled need (a need that requires the help of a member of our professional staff, listed at left)*

#### *Do I need a referral from a physician?*

*While we frequently accept referrals from physicians, a patient may be referred from any source:*

- *Physician or Hospital*
- *Patient, Family or Friend*
- *Skilled Nursing Facility*
